

## Please join us on Saturday, July 30<sup>th</sup> at the Oak Park Farmers Market

*Cooking Demo: Summer Tarts with Chef Tiffany!*  
*10:00 a.m.-11:00 a.m.*

*We have a great treat coming on Saturday, July 30 at the Oak Park Farmers Market. Tiffany Coburn of Way Back Bakery will be out preparing Summer Tarts at the market. Using eggs from Great Valley, she will create a silky custard that will be topped with gorgeous fruits from the market. Tiffany has been cooking professionally for 10 years; and has been specializing in pastry for 8! She knew that she wanted to be a chef since the 1st grade when she won a pie baking contest against 6<sup>th</sup>, 7<sup>th</sup> & 8<sup>th</sup> graders! She also became a master preserver at age 17, and learned how to capture and preserve all the goodies nature has to offer. So don't miss this awesome summer treat – it is another great opportunity to have a good time learning a new skill at the Market. Good eating my friends!*
