

December 19, 2018

Dear friends,

As 2018 comes to a close, many of us are making year-end decisions about how to make a difference with our donations. Helping families become first-time home owners, building their financial future and building stronger communities is a powerful way to make a difference! Visit us at www.nwsac.org to make a donation today and learn about our 31 years of supporting families achieve their dream of home ownership and building stronger communities.

This time last year, families in Williams, CA (northern CA) worked hard each day to complete their new beautiful homes. They helped build through hundreds of hours of their own hard work! Now their dreams are reality! **On November 28, 2019**, we celebrated the completion of this project with the homeowners, mayor, city officials and other partners who helped to make this come true. Through our Mutual Self-Help Housing program, families **work 35 hours** to build their homes and make their home ownership dream come true. In 2019, with your support, NeighborWorks Sacramento will be working with more families.

In addition to home ownership, NeighborWorks Sacramento just completed our 9th year of our award-winning **Oak Park Farmers Market**, providing locally grown, healthy and delicious food to hundreds of families, including those using CalFresh EBT. Our new market at the UC Davis Health Systems, allowed us to serve more families each week.

This September, we worked with 175 volunteers from community organizations, banks, colleges along with neighborhood residents to complete home improvements in Del Paso through our annual **Paint the Town** neighborhood improvement project. Everyone worked tirelessly by scrapping, painting, fixing homes and beautifying Del Paso Heights. The residents couldn't have been more excited and more supportive of the event!

Mutual Self-Help Housing
Williams, CA
Group 1

Paint the Town
Del Paso
Heights 2018

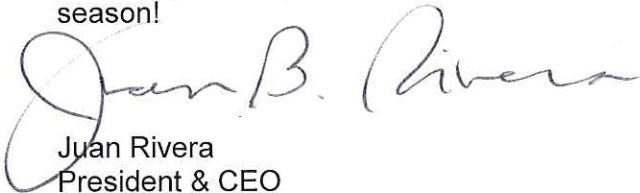

Your 2019 contribution will:

- Help us make neighborhood improvements through Paint the Town and organize residents and volunteers to beautify some of Sacramento's great neighborhoods.
- Help us train prospective homebuyers to improve their credit and purchase good and affordable homes
- Help us to provide "Kids' Bucks" coupons for our nutrition education Program. Children use these coupons to make their own healthy food choices to buy healthy food at our Oak Park Farmers Market, which runs every Saturday from May through October.

We are counting on your commitment to making a different this holiday season to help put more families on their way to affordable homeownership and make our community stronger!

Wishing you and yours a safe, healthy and joyous holiday season!

Juan Rivera
President & CEO
